

Entity

Who We are:

We provide short term accommodation and case work services to young people aged 12-17yrs, with medium needs, including those who have experienced a history of abuse and disrupted placements, educational difficulties, and serious difficulties in controlling their behaviour.

We can accommodate up to 4 young people at one time. We work in partnership with Community Services in developing and reviewing case plans.

We assist young people to transition into a more permanent placement and we provide after care support according to the young person's case plan.

Things you should know:

Community Services (CS) retains guardianship and case management responsibility.

We will maintain young people's confidentiality and advocate for young people's rights

Information regarding a young person's presenting issues and needs is shared with staff and other professionals who have a role with the young person.

House Guidelines:

There are some guidelines to living at Entity. These refer to sharing the house, both with staff and other residents, the general household routine and sharing the car.

You can find the house guidelines on the website:

www.caretakers.org.au

Referring to us:

All referrals are made through the Intake Team, Metro Central Child & Family Regional Unit (C&FRU) of Community Services. The contact person is the Intake Caseworker.

We require appropriate and accurate background information relating to the young person's history and presenting needs to be provided by the referring Caseworker.

All referrals must be made on the (CS) Client Information Form. The form can be obtained from the Intake Caseworker at C&FRU.
