

Initial Referral Form (March 2017)

Before making a referral to Options, please read the following information about the Options program to assist you in determining that Options is the right placement for your client.

The overarching aim of Options Youth Housing is to assist young people to build the skills and confidence to live self-sufficiently. Options has a strong focus on working towards independence from the social welfare system.

- Options is a voluntary program, young people sign up to the program because they are willing to engage
- Options is the transitional accommodation and support program of Caretakers Cottage
- Placements at Options are open to individuals, pregnant young women, families and couples aged between 16-25 years of age in single and shared accommodation
- Options is primarily a support program, not an affordable accommodation or Housing First program. Tenancies and rent are managed externally by a Community Housing Provider
- The timeframe a young person can stay with Options is 18-24 months, dependent upon individual circumstances. An exit plan based around moving out of social welfare and into the rental market is an integral part to the overall case plan
- As Options is primarily shared accommodation we cannot house young people who have current or recent alcohol or significant mental health concerns which are not being addressed at time of referral
- Initially young people are put on a 3 month trial period whereby their suitability for the Options program is assessed for a more permanent placement
- Throughout their placement young people will need to pay:
 - 25% of their total income before tax for rent to the Community Housing Provider
 - 3% of their total income before tax for water to the Community Housing Provider
 - \$20 per week for electricity/gas to Options Youth Housing
 - 100% of household maintenance items (cleaning products, light globes, groceries...)
 - On signing the Lease 2 weeks rent + \$100 Bond needs to be paid upfront
- Bedroom furniture is NOT provided-young people need to organise this BEFORE moving in.
PLEASE NOTE: Option cannot move young people's belongings in or out of the properties. The young person/referring agency will need to organise this themselves.
- Options has a strict NO PETS rule-this includes rabbits, guinea pigs, birds, cats etc.

BY PROCEEDING WITH THIS REFERRAL YOU ACKNOWLEDGE YOU HAVE UNDERSTOOD THE ABOVE CONDITIONS OF OPTIONS AND HAVE CLEARLY CONVEYED THIS TO THE YOUNG PERSON

Please fill in the following with **as much detail as possible** and email back when completed:
